Well, September is here and that means you can stream a brand-new FANGORIA'S DREADTIME STORIES episode for FREE or purchase it via download, commercial free with extended scenes, for only $1.99. September's episode is entitled " The Final Battlefield " and your host into the macabre, as always, is Malcolm McDowell. "The Final Battlefield" is written by Barry Richert, who also brought you "The Dark Enforcer." Here's the plot for "The Final Battlefield" ...

After a four-year tour of duty in Viet Nam, Private Daniel Conway is glad to be home in Clover Ridge, Iowa. But his joy is short-lived when he is haunted by frightening visions of The Hangman, a vicious Viet Cong officer with a penchant for torture whom Daniel encountered during his stay in a prisoner-of-war camp. Pushed to the brink of madness by the continual appearances of his tormenter, Daniel is forced to ask himself an unthinkable question: Has The Hangman followed him home?

The cast includes: Malcolm McDowell (Host), Tim Dadabo (Daniel), JoBe Cerny (Frank), Tom Tran (Hangman), Danny Goldring (Merle), Gary Tiedeman (Keith & Corporal), Kurt Naebig (Lieutenant), Jim McCance (Cab Driver & Fangoria Announcer) and Carl Amari (Soldier). Here's a cast picture:

You may recognize Tom Tran, who plays "The Hangman" - he starred in the 1987 war-comedy "Good Morning Vietnam" as Robin Williams' friend Tuan.

I hope you enjoyed last month's episode "Talking in the Dark" by Dennis Etchison. His next script is "The Blood Kiss" which is based on his famous short story. You can expect our audio drama of "The Blood Kiss" sometime in early 2013.

Don't forget that "The Final Battlefield" is yours to stream FREE the entire month of September. If you'd like to own it commercial free with extended scenes, please digitally-download it for only $1.99. For those of you who are unfamiliar with this radio series - here's the scoop:
