Let’s start this week off with a little zombie love. The ghoulish guys over at Level 33 Entertainment just sent over a few copies of their hit horror/comedy AAAH! ZOMBIES!! on DVD for us to give away to some freaky fans. Presenting a clever twist on the subgenre, AAAH! ZOMBIES! is one of my fave undead flicks from recent years.

Check out this synopsis: “Zombies. You know ’em, you love ’em. But what do they think of you? In this hilarious twist on the classic zombie tale, we see the world through zombie eyes when a barrel full of toxic goo transforms four friends in to the walking dead, and suddenly, it seems everyone else has gone mad. In the most unique zombie story in years, the zombies embark on a bumbling quest to find the “truth,” completely unaware of their rotting undeadness. After all, zombies are people too.

Want a copy? Just send an e-mail to rebekah@fangoria.com and be sure to type “AAAH! ZOMBIES!!” in the subject line, just so I can separate you from my normal myriad “erectile dysfunction” and “I’m an African prince who wants to send you money”-style e-mails. Please include the following:

Good luck! Level 33 has also donated a ton of prizing for us to give away at San Diego Comic-Con this year. So come by the FANGORIA booth; this year we will be asking trivia questions for prizing! So prove your horror knowledge, and you could win more Level 33
