Spike TV's 2012 Video Game Awards recently wrapped up its celebration of the best of this year's video and PC games with some huge surprises for everyone.

Telltale Games' THE WALKING DEAD took home many awards including Game of the Year! No one could have expected that the point and click horror adventure would beat out such big contenders as ASSASSIN'S CREED III, DISHONORED and MASS EFFECT 3. Now let's look at some of the winners at this year's Video Game Awards, as well as Samuel L Jackson's invasion of them.
