Following up on FANGORIA's well received first installment, we present the second issue of [KISS: MONSTER- THE OFFICIAL ALBUM AND TOUR MAGAZINE](#), a LIMITED EDITION collector's mag featuring new interviews about the making of the new KISS album, MONSTER, as well as incredible, insightful features on the smash summer tour and other great moments in KISStory, past and present.

And...it's in 3D!

That's right, inside you'll find 14 pages of exclusive, new concert photos presented in dynamic 3D: SEE Gene's axe thrust toward you, his blood dribbling right onto your lap! SEE Tommy's rockets aiming straight at your face! SEE Eric's drums rising right into your living room! SEE Paul swinging right from the crowd into your arms!

Other features include a new interview with MONSTER co-producer Greg Collins; the band reflecting on their recent pre-tour trip to London; artist Ken Kelly remembering the making of classic KISS covers DESTROYER and LOVE GUN; Gene talking about his memorable villainous movie roles; Paul flashing back to his role in PHANTOM OF THE OPERA; Top Thirty Alternative KISS Klassics; GIANT fold out KISS poster...and so much more!
