The stars of Ti West's ghostly treat, THE INNKEEPERS are reuniting in an escalating game of dare.

[THR](#) reports E.L. Katz (writer, POP SKULL, AUTOPSY) will be making his feature debut with CHEAP THRILLS, a horror film produced by Travis Stevens (A HORRIBLE WAY TO DIE, THE AGGRESSION SCALE, THE THOMPSONS) and written by DEADGIRL scripter Trent Haaga.

Starring THE INNKEEPERS' Sara Paxton and Pat Healy, the film also welcomes David Koechner (ANCHORMAN), Ethan Embry (CAN'T HARDLY WAIT) and RED WHITE & BLUE's Amanda Fuller in the tale of a financially strapped father invited by a wealthy couple to participate in a game of dare that spirals out of control.
